FOR THE COMMISSIONER OF
PATENTS & TRADEMARKS

REQUEST FOR A CERTIFICATE OF CORRECTION
UNDER RULE 1.322

Honorable Commissioner of
Patents and Trademarks
Washington, DC 20231

Sir:

In accordance with the Provisions of Rule 1.322 of the Rules of Practice, the Patent and Trademark Office is respectfully requested to issue a Certificate of Correction in the above-identified patent.

It is certified that an error appears in the above-identified patent as shown in the attached Certificate of Correction. The correction, which comprises the addition of a comma, is necessary to clarify the language of independent claim 1. Without this correction, the language of claim 1 appears to be somewhat confusing. The correctness of this requested correction can be

demonstrated by reviewing the text of the Applicants' originally-filed claim 1 which includes this comma.

Since the change in the patent would not constitute new matter, and would not require reexamination, Applicants pray a Certificate of Correction will issue.

Since the error appears to be due to a mistake by the Patent Office, no fee is believed to be due. However, if this is not the case, please then charge Deposit Account 13-4770 for any fee which is required so as to accomplish the desired correction. A duplicate copy of this sheet is enclosed for making charges to the Deposit Account.

Respectfully submitted,

ARTHUR J. EDWARDS and
MIHALY LAMOTH
